REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case is the inclusion of the entering of an input value into a predetermined input cell of a displayed accounting screen having input cells arranged in a matrix form having account title code rows and account title code columns containing account codes, an account title code number being entered in a relevant account title code row and an amount of the input numerical value being entered only once for each transaction, in a single one of the input cells at an intersection of an account title row and an account title column corresponding to the account title code number which is included in all the independent claims, in combination with the other elements recited, which is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Elaine Gort whose telephone number is 571/272-6781. The examiner can normally be reached on Monday and Thursday.
